

LewesLight artists

We had a great time producing the puppet shows with the Lewes Light artists. It was fantastic to see so many parents pack into the barn to watch the finished shows. Thank you so much for supporting the children's efforts. It is so helpful to have the termly outing/enrichment money from each child to support this kind of work.

Animations everywhere...

Our animation software is being fully tested around the school. This half term the Willow Class are in full swing with 4-5 projects on the go. The Kindergarten have also had a go at very simple animations. After half term the other classes will have their turns.

Parent Discussion Group

Towards the end of the summer term some parents were asking if we could set up a group of parents and staff to meet together at regular intervals for discussions about things affecting school, children and parents. This is something which we are keen to get started. There are several models which we could adopt for this. We also need to decide on timings of meetings and whether each class would need a rep and so on. In order to talk about what kind of model might work best for our school we will be holding an explorative first meeting on Monday 7th November. Choosing a time which works for everyone is really tricky and so to avoid parents having to come during school hours or in the evening we will meet at 3.30pm in the studio and children can stay in their classes to read or play a game while we talk.

This first meeting will be quite short and aim to establish good timings for future meetings and a possible model to follow. If you can't make it along we will feedback after the meeting so you can comment.

NEXT WEEK 24-28 OCTOBER IS HALF TERM

Week 31st October – 4th November

Monday

School lunch – potato pie and vegetables
Kinderplay 1.30-3.00pm

Tuesday

School lunch – lasagne and salad
